Faith **Over** Fear

Four-Hour Ally Training
With Aneelah Afzali and Pastor Terry Kyllo

Each year anti-Muslim hate groups spend over $30 million dollars to make people afraid of Islam and American Muslims. The websites, You Tube videos, books, white papers, lobbying, and media stars of these hate groups turn the hearts and minds of people against one another, paving the way for a more divided, fearful future. We don't have to live in that future. Together we can build a future based on our shared values and vision for America! Yet Muslims and their allies are daily confronted with challenging questions by people captivated by fear, framed in ways that place them at a significant disadvantage. The Faith Over Fear four-hour Ally Training will give you tested strategies to use in response to these challenging questions - and the fears that underlie them.

Participants will learn about
- Islamophobia and Its Impacts
- Islam and American Muslims
- Effective, Values-Based Messaging
- How to Respond to Difficult Questions
